Dear Mr. Nichols:

We received your letter advising the Arizona Department of Transportation, Motor Vehicle Division (ADOT/MVD) of your acquisition of a bumper car at the Arizona State Fair.

As you point out in your letter, preparing such a "car" for use on city streets could be quite an interesting project!

To ensure that you're proceeding on the "right track," please contact George Lamb in MVD Enforcement, (480) 632-8747, ext. 3401, to review vehicle inspection and registration requirements.

You may also wish to contact the City of Scottsdale to review city ordinances that need to be taken into consideration as you move forward on your project.

Sincerely,

Cydney DeModica
