Dear Family Assistance-Food Stamps,

My name is Colleen McKay and I am in need of your assistance. I currently use food stamps, but I'm trying to get off of my welfare dependency. To meet my goal, I acquired a job mailing coupons for commission. I have mailed, as of now, over 3,000 coupons - each valued at \$.50 off a box of Cheerios.

As you can tell, my occupation requires much postage, and I think you could help me out. Is there some way I could use my food stamps as postage stamps? This would save me a great deal of money that could be used for buying my children new overalls.

If you send a reply letter with any assistance, I could guarantee you a coupon for \$.25 off frozen peas.

Please help me. I need more stamps so I can earn a higher commission.

Gratefully,

Colleen McKay
